

How to find your Hockey Canada ID

If you're unsure what your athlete's Hockey Canada Identification Number (HCIN) is, you can search for it on Hockey Canada's NEW HCR website found here: <https://account.spordle.com/login>

Hockey Canada recently upgrade the Hockey Canada Registry so there's a completely new interface to it. IF you haven't already created your account in the NEW HCR Spordle, you'll need to do it now. If you have created it already, scroll down to the section about linking your athlete's IDs (and yours if you have one) to your account. Click on "Login" in the top right corner of the page, then click "Sign up".

Fill out this entire form with your name, a password that includes letters, numbers, and symbols, and click Sign up.
